

NOTICE

Date 24/06/2019

Dear Parent/Guardian

Changes of School Uniform from session (2020-21)

This is to inform you of a change to school uniform that will be introduced from next session 2020-21. This notice is to give you advance time of this change and to ensure that if you are buying items of school uniform between now and the start of the new academic year that you are aware of the new requirements.

The change is being introduced to improve the current standard of uniform being worn by students in the school, particularly by our junior students, and to ensure that we have a cost effective, smart uniform that is a representation of the high standards we uphold. It is a duty of the school to ensure our students are dressed appropriately and with dignity at all times.

There will be further communication over the coming months, but it is important that we keep you informed throughout the transition period. The predominant change we are making, is that we are introducing standardised school uniform.

We hope the advance notice of this new requirement will enable you to plan your uniform purchases for the new academic year. Thank you in advance for your co-operation in this matter and for your support for the standards we wish to uphold as a school.
